

STEM SCALE-UP PROGRAM Online Application Management System

Help Guide: Educator Application

Application Status

GOVERNOR'S STEM ADVISORY COUNCIL
dedicated to building a strong STEM education foundation for all Iowans

Once the administrator or any educator has approved the application, an email is sent to the applicant. The applicant also has the ability to log in to the system to review the status of their online application.

Once you have submitted your application, one of the following terms will be assigned to your application:

- INCOMPLETE** The application has not been finalized or submitted by applicant.
- IN PROCESS** The application has been submitted but the administrator has not approved or rejected the application.
- COMPLETED** Everything has been completed and approved by the administrator.
- REJECTED** The application has been submitted but rejected by the administrator. You may go back in to adjust or edit your application and resubmit. Resubmitting your application will trigger a new set of approvals to the individuals listed in your application.”
